1. From I-65 or the Memorial Parkway, head east on I-565 and continue onto highway 72 east.

Come prepared to offer ideas for the Studebaker show the North Alabama Chapter is planning to host in the fall. The club has been invited to have the show during *Market Days* at the Village of Providence off University Drive. *Market Days* is held the second Saturday of the month and the club has been offered October 14 as the date for hosting the show at Providence. Providence is willing to advertise the car show for the club and provide the space for the show. Be thinking about the show and whether it should be an open show, Studebaker only, Studebaker and other orphan vehicles, etc. and whether we should hold it at Providence or somewhere else.
